to cheer on our contestants! We will be posting the Zoom link in Google Classroom on Thursday.

## Create a Remotoni Mascot Contest

Since we cannot visit Sparkee this year at Patriots Stadium, Camp Remotoni would like to have it's own mascot featured in the newsletters and on the Google Classroom. Design a mascot you think would represent Remotoni on the computer or on paper and send a picture to us (on Google Classroom or through email - [kellyf@thearcofsomerset.org](mailto:kellyf@thearcofsomerset.org)) so we can determine a winner! Winners will be announced next week!

## Nature Activities

Be on the lookout for some of your favorite Nature Activities posted in the Google Classroom. Feel free to send us pictures of your amazing work!

## Admin Videos

Be on the lookout for some Admin Activity Videos on Google Classroom! We will be posting our activities throughout the week!

## Interview with a Firefighter!

Be on the lookout this week for an interview with an actual firefighter! (Video will be posted in Google Classroom.)

## Notes from the Admin

If you have not done so already, please join our Google Classroom for more announcements and activities (see directions below)! We cannot wait to see all your faces! Hope you are enjoying your summer!

### Joke of the Week!

Q: "At camp, what does the sun drink out of?"
